## Items from the 11/15 meeting

Our returning technicians from last weeks mission to Mexico to distribute eye glass told us of the hard work, long hours, and immense gratification from the trip. Everyone recommends we should all have the experience some time. A list of the upcoming clinics is on-line at [http://www.lionsinsight.org/?page\\_id=41](http://www.lionsinsight.org/?page_id=41)

Our speaker this past Tuesday was Ken Kelley, a member of the Salvation Army Advisory Council who told us a little of the history of the Salvation Army, an International Church. We heard about the Adult Rehabilitation Center 702 West Taylor Street, San Jose, and of its services. A lot of the funding from the local organization comes from donations of goods sold from the thrift store located on Winchester Blvd. near Hamilton Av. Donation may be made by calling 1-800-SATRUCK for a pick-up.

A current need is for dentists who are willing to donate services for the recovering patients at the rehab center. A dentist only needs to donate one or two sessions. Any one know a charitable dentist?

(Please excuse the briefness of this Lions' Tale. I will be collecting more things of general interest as I get back into the WSJC activities. Right now I need someone to help me update the table below. )
